

# TheMudFactory

- Term 2, 2016

Each session will start with a 10 - 15 minute drawing exercise to help foster and develop these important foundation skills! I encourage students to draw what they can 'see', and to see the difference between what they think they see & what they actually see.

You can never do too much drawing:)

## Teens

Monday or Wednesday

3.30 - 5pm

Self directed project

Students will plan a concept/ artwork idea for the term. This might be a number of smaller works or one large project. Students can choose the medium for their project & will be guided as they progress with techniques & problem solving.

Monday - Friday 5yrs +

3.30 - 5pm

This term we have a theme to inspire our artworks:  
Vintage Circus

Weeks 1&2

Drawing: Make your own ink

Weeks 3&4

Ceramics: hand building & the wheel

Weeks 5&6

Painting on canvas

Weeks 7&8

Screen Printing

Weeks 9&10

Stop motion animation

For those who just want to draw 5yrs +

Tuesday & Thursday

3.30 - 5pm

This will be a small group who would just like to focus on drawing. Explore line, shape & texture. Draw with pencil, charcoal & ink. Students will learn to draw what they see & have fun too! These classes will be lead by talented MudFactory staff members Helena & Cara.

In December we will be having our 10th Annual Student Art Exhibition!

Term fees Monday & Tuesday \$220 (9weeks) Wednesday, Thursday & Friday \$240 (10 weeks)  
casual rate \$28
